The display board is divided into several sections. On the left is a calendar for August 2022. The top right shows the date and time. Below that is a 'Safety Notice Board' with a green cross icon. The center features a '2022年' (2022 Year) notice with illustrations of a worker wearing a hard hat and safety glasses, and a red drilling machine. To the right of this is a 'Warning' sign with a worker icon and text about WBGT values and the need for rest. Further right is a temperature display showing '25.1℃'. Below the temperature display is a photo of a worker in a blue uniform operating a drilling machine on a construction site. A small text overlay on the photo says 'NomoadPRを評価中です'.
